STIPULATION FOR EXTENSION OF TIME

The parties, by and through their attorneys, hereby stipulate and agree to an extension of three weeks for Defendants to file a response to the Complaint to June 14, 2007. Defendants are seeking this request in order to accumulate documents and interview witnesses in order to provide a response to the numerous allegations contained in the Complaint. This process is expected to take some time due to the history of this matter, and because the Police Department is in the process of moving to a new location.

RE: *Hill v. New Castle County, et al.*
C.A. No. 07-228 (GMS)

Dear Judge Sleet:

This letter is submitted in support of the parties' stipulation to extend the date in which to file an answer or other responsive pleading in the above-captioned matter. According to Docket No. 3, the time currently set for Defendants' response is May 21, 2007. However, Defendants were not served with the Complaint until May 4, 2007 (as indicated in the Returns of Service contained in Docket Nos. 3 and 4). Therefore, the response date should actually be May 24, 2007.

Defendants are seeking this request in order to accumulate documents and interview witnesses in order to provide a response to the numerous allegations contained in the Complaint. Given the history of this matter and the fact that the Police Department is in the process of moving to a new location, this process is expected to take some time.

Counsel is available to discuss this matter with Your Honor at your convenience.

Respectfully,

MEGAN SANFRANCESCO
First Assistant County Attorney
(I.D. No. 3801)
Attorney for Defendants
